

## EMPOWER WORKFORCE READINESS

### *Heart-Centered Leadership*

### *The Whole Person Matters*

## OUR INITIATIVES

*Address the Economic & Human Impact of Rapid Change*

**Collaboration is  
KEY!**

**3 Key Stakeholders  
3 Key Questions  
1 Desired Outcome**

**Economic Impact:  
SKILLS GAPS**

**Global Framework for  
STEM/STEAM  
INCLUSIVE to ALL Our Kids  
Whole Person - Holistic Education  
Student Pipeline = Workforce Pipeline**

**Human Impact:  
Mental Health  
STIGMA**

**Heart-Centered  
LEADERSHIP  
#1 Tool - Start the Conversation  
Share Your Story  
The Power of Film**

*Ensure that our students -our children- are  
HEAD, HANDS & HEART - Ready by 2030!*

# Let's Build Your Bridges!

Business + Education + Family & Community

## Our Services

### Keynote Presentations

- **The Big Picture-Changmaker Leadership:** How Our Kids Fit Into The Bigger (STEM/STEAM) World!
- **Head, Hands & Heart:** The Triple Play of Learning & Working in the 21st Century Economy
- **Listening from the Heart:** Leadership with a Story! Empowering conversations to break through the Mental Health STIGMA.

### Landscape Analysis

- **Identify** the clarity of mission and current programs.
- **Review** the *BSB-Empowering Workforce Readiness VIDEO* on the website homepage.
- **Reference** the *BSB Stakeholder Collaboration Wheel* to create an inventory of your active stakeholders.
- **Assess the gaps** and identify potential stakeholders with common missions that represent new partnership opportunities.

### Strategic Consulting

- **Engage** in unprecedented collaboration / partnerships
- **Modernize Your Message** (i.e.- to realign education & workforce).
- **Modernize Your Messenger** (i.e.-prioritize family & community).
- **Prepare** Leadership for message delivery and mentoring the Calls-to-Action.

### Program Strategy

- **Create, Build & Launch** programs that integrate the common mission of stakeholders, the roles and responsibilities.
- **Maximize** opportunities to leverage existing resources, partnership programs and audiences.
- **Build a Continuum** of programming across stakeholder interests.
